## Whiteboards

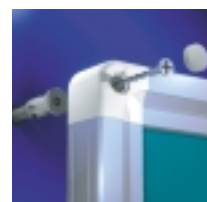

Profil F, FH er med skjult montage, hvor skruer og borehuller er gemt. Profil C er en klassisk tavleindramning med synlig befæstigelse. Alle typer kan påclipses en løs kridt-/aflægningshylde. Standardmål 450 x 625mm op til 1225 x 2000mm lagerføres, andre mål op til størrelse 1225 x 5500mm mod bestilling.

*Profiles F and FH have hidden mountings, so screw and drill holes are invisible to the eye. Profile C is a classic type of framing. A clip-on chalktray is available for all profile types.*

*Standard sizes, ranging, from 450 x 625mm up to 1225 x 2000mm, are available in stock. Other sizes up to 1225 x 5500mm are available by special order.*
